Denmark welcomes you to the International Rally 2011

We are looking forward very much to see you next year in the land of the Vikings, Hans Christian Andersen and the little mermaid.

This time the rally will be situated in a small village in the Southern part of Jutland called Jels and this will be the fifth International Rally in Denmark.

Clubs from all over Denmark gather to make your stay an unforgettable one. Naturally there will be lots of music, beer and alcohol, delicious food, funny competitions and ride out.

The rally starts at Friday, but you can place your tents

on Thursday and find places close by to eat.

The rally will be close to sunny beaches, beautiful forests, cosy farms and fields, only this time you don't have to ride down dangerous sandy hills in order to come to the camp.

Jels is approx 45 miles from Esbjerg and around the same distance from the German Border, and about 160 miles from the bridge between Denmark/Sweden. We wish you a pleasant stay. Virago MC Club Denmark
